NEGOTIATION PROCEDURE

A. Definitions

1. A proposal is a plan or suggestion put forward for negotiation.

B. Purpose

1. The purpose of this procedure is a good faith effort to reach agreement on proposals.
2. Any agreement negotiated under this ARTICLE shall apply to all employees, or group or class of employees, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board.

C. Procedure

1. Proposals concerning terms and conditions of employment will be filed by the President of the Association with the President of the Board, or the Board Secretary no later than the regular October Board of Education meeting. Negotiation is then to take place at a time mutually convenient for both but not later than fifteen (15) calendar days from the date the proposals were filed with the President of the Board, or the Board Secretary.
2. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counter proposals in the course of negotiations.

D. Miscellaneous

1. This Agreement constitutes Board policy for the term of said Agreement, and the Board shall carry out the commitments contained herein and give them full force and effect as Board policy.
2. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

GRIEVANCE PROCEDURES

A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application of any of the provisions of this Agreement as will be defined by PERC or by law.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of employees as will be defined by PERC or by law. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of the Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as it is practicable.
3. Any grievance affecting an individual shall be deemed waived unless it is submitted within ten (10) school days after the aggrieved party knew or should have known of the event or conditions on which it is based.

Grievances affecting a group of employees shall be deemed waived unless submitted within ten (10) school days after the last particular incident which affects any member of the group.

4. Level One

- a. Any individual employee shall have the right to appeal the application of policies and administrative decisions affecting him through administrative channels. With respect to his personal grievance he shall be assured freedom

from restraint, interference, coercion, discrimination, or reprisal in presenting his appeal. He shall have the right to present his own appeal or designate representatives of his choosing to appear with him or for him at any step in his appeal.

- b. Any employee or group of employees who has a grievance or proposal, shall discuss it first with his Principal (or immediate supervisor or department head, if applicable) in an attempt to resolve the matter informally at that level.
- c. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) calendar days, he shall set forth his complaint in writing to the Principal. The Principal shall communicate his decision to the employee in writing within three (3) calendar days of receipt of the written complaint.

5. Level Two

- a. The employee may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing within five (5) calendar days of decision by Principal and must set forth the grounds upon which the grievance is based. The Superintendent shall request a report on the grievance from the Principal, shall confer with the concerned parties and, upon request, with the employee or Principal separately. He shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) calendar days.

The Superintendent shall communicate his decision in writing, along with supporting reasons, to the employee, the Principal and to the Board of Education.

- b. If the grievance is not settled to the satisfaction of the employee after reaching the Superintendent of Schools, the matter may be referred to the Professional Rights and Responsibilities Committee of the local Association for consideration. The Committee shall make a determination as soon as possible, but within a period not to exceed ten (10) calendar days, notifying the employee in writing of that determination.
- c. If the Professional Rights and Responsibilities Committee determines that grievance has, or may have merit, it shall recommend that the grievance be heard by the Board of Education.
- d. If the Professional Rights and Responsibilities Committee determines the grievance is without merit, it will so advise the employee and a copy of its findings shall be sent to the Principal, the Superintendent of Schools and the Board of Education.
- e. An employee whose grievance has been determined to be without merit by the Professional Rights and Responsibilities Committee shall retain the right to appeal in writing to the Board of Education.

6. Level Three

- a. If the grievance is not resolved to the employee's satisfaction, he may request a review by the Board of Education within ten (10)

calendar days of decision by Superintendent. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance, hold a hearing with the employee if requested, and render a decision in writing within fifteen (15) calendar days.

7. Level Four

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within fifteen (15) calendar days after the grievance was delivered to the Board of Education, he may within five (5) calendar days after a decision by the Board of Education or fifteen (15) calendar days after the grievance was delivered to the Board of Education whichever is sooner, request in writing that the Chairman of the PR&R Committee submit his grievance to arbitration. (If the PR&R Committee determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) calendar days after receipt of a request by the aggrieved person.)
- b. Within ten (10) calendar days after such written notice of submission to arbitration, the Board and the PR&R Committee shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American

Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

- c. The arbitrator so selected shall confer with representatives of the Board and the PR&R Committee and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearing, or if oral hearings have been waived, then from the date of the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions and on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
- d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Employees to Representation

- 1. Any party in interest may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When a member is not represented by the Association, the Association shall have the right

to be present and to state its views at all stages of the grievance procedure.

2. No reprisals of any kind shall be taken by the Board or any member of the Administration against any party in interest, any building representative, any member of the PR&R Committee, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. If, in the judgment of the PR&R Committee, a grievance affects a group or class of employees, the PR&R Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The PR&R Committee may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.
2. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Level Two, Three and Four of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Chairman of the PR&R Committee. Decisions rendered at Level Four shall be in accordance with the procedures set forth in Section C, Paragraph 3c of this article.
3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given

appropriate distribution so as to facilitate operation of the grievance procedure.

5. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this ARTICLE.
6. Any party of interest officially involved in a grievance proceeding shall have access to any and all pertinent information he deems necessary for preparing the presentation of his case.
7. When required by Arbitrator, released time shall be granted to any party of interest officially involved in the grievance proceedings when said proceedings reach level four.

 - 3. Once a recommendation is forwarded to the employee and the Board, the employee may within ten (10) school days file a grievance commencing at the Superintendent level and concluding at the Board level. No action

shall be taken by the Board until completion of Level 3 of the grievance procedure.

4. Should the employee be dissatisfied with the resolution of the case under Article V, B3 above, the case will be submitted to the Commissioner of Education to determine jurisdiction, i.e. whether the dispute shall be settled by the Commissioner or by binding arbitration.
- C. Both parties agree that any and all part-time employees, who are, or will be, employed under any, or all, of the classifications which herein have a negotiated salary schedule, except those part-time employees which have a specific negotiated salary schedule included herein, be paid by an appropriate percentage based upon the time worked according to their full-time salary on their proper schedule and step; such method to be known as pro-rata pay.
- D. All members employed shall be paid semi-monthly for the term of this contract and paydays shall be the 5th and 20th of each month except that when a payday falls on or during a school holiday, vacation, or weekend, members shall receive their pay checks on the last previous working day. These funds shall be paid to the teacher or his estate in two equal payments, the first to be paid July 15, the second August 15, or in one lump sum on the last working day in June. Teachers

Any such action asserted by the Board or any agent or representative thereof shall be subject to the grievance procedure set forth herein, except that nothing in this clause shall be construed as impeding the Board's right to withhold an increment subject to the provisions of Section V, B above. All aspects of cases involving the withholding of increment shall be treated under Section V, B rather than VI, C.

- D. Whenever any teacher is required to appear before the Superintendent, Board, or any committee, member, representative or agent thereof concerning any matter which could adversely affect the continuation of that teacher in his office, position of employment or the salary of any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise him and represent him during such meeting or interview.
